Arab-American Family Support Center

The Arab-American Family Support Center (AAFSC) is a non-profit, non-sectarian organization created in 1994 to provide culturally and linguistically competent, trauma-informed social services to low-income immigrants and refugees in New York City.

AAFSC Research Institute

In 2021, AAFSC launched our Research Institute to enhance knowledge about communities regularly rendered invisible. We measure both outputs and outcomes to maximize contributions and operationalize our mission.
